The Corporation is organized exclusively for charitable and educational purposes as such purposes are defined by Section 501(c)(3) of the Internal Revenue Code (or the corresponding section of any future Internal Revenue Law of the United States). No dividend shall be paid and no part of the net earnings of the Corporation shall inure to the benefit of any individual, director, officer, trustee or employee of the Corporation. The Corporation may pay reasonable compensation for services in effecting the corporate purposes. No substantial part of the activities of the Corporation shall consist of carrying on propaganda or otherwise attempting to influence legislation; nor shall the Corporation participate in, or intervene in (including the publishing or distributing of statements) any political campaign on behalf of any candidate for public office.

Any provision of law to the contrary notwithstanding, the Corporation may not merge or consolidate with any corporation which is not an exempt organization as defined in Section 501(c)(3) of the Internal Revenue Code of 1986, or its successor provisions, and which has not been in existence and so described for a continuous period of at least sixty (60) calendar months.

In the event the Corporation is dissolved and liquidated, the Board of Trustees shall, after paying or making provisions for payment of all of the liabilities of the Corporation, distribute the corporate property and assets to such organization or organizations as in their judgment have purposes most closely allied to those of this Corporation; provided, however, that the transferee organization or organizations shall then be a qualified tax-exempt charitable organization within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986 or any successor provisions, shall have been in existence and so described for a continuous period of at least 60 calendar months, and shall also be an organization contributions to which are deductible under Sections 170, 2055, 2522 of the Internal Revenue Code or successor provisions. Any of the property or assets not so distributed shall be disposed of by the court having jurisdiction of the dissolution and liquidation of a New Jersey nonprofit corporation exclusively to such charitable organization or organizations as are then qualified tax-exempt organizations as defined above.

9. The Corporation shall distribute its income for each taxable year at such time and in such manner as not to become subject to the tax on undistributed income imposed by Section 4942 of the Internal Revenue Code of 1986, or corresponding provisions of any subsequent Federal tax laws.

The Corporation shall not engage in any act of self-dealing as defined in Section 4941(d) of the Internal Revenue Code of 1986, or corresponding provisions of any subsequent Federal Tax laws.

The Corporation shall not retain any excess business holdings as defined in Section 4943(c) of the Internal Revenue Code of 1986, or corresponding provisions of any subsequent Federal tax laws.

The Corporation shall not make any investments in such manner as to subject it to tax under Section 4944 of the Internal Revenue Code of 1986, or corresponding provisions of any subsequent Federal tax laws.

The Corporation shall not make any taxable expenditures as defined in Section 4945(d) of the Internal Revenue Code of 1986, or corresponding provisions of any subsequent Federal tax laws.

10. All provisions of these Articles of Incorporation shall be subject to amendment, consistent with the provisions of the New Jersey Nonprofit Corporation Act and Section 501(c)(3) of the Internal Revenue Code of 1986, by the affirmative vote of a majority of the Board of Trustees entitled to vote in respect thereof, given at the Annual Meeting or at any Special Meeting, provided that notice of the proposed amendment is included in the notice of such meeting.

11. The Corporation shall indemnify every corporate agent as defined in, and to the full extent permitted by Section 15A:3-4 of the New Jersey Nonprofit Corporation Act, and to the full extent otherwise permitted by law.

12. The Corporation shall not have any members.

EXHIBIT "B"
CONFLICT OF INTEREST POLICY

Page 25 of 34

**ARTICLE I
PURPOSE**

The purpose of the conflict of interest is to protect this tax-exempt organization's ("Organization") interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or trustee of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

**ARTICLE II
DEFINITIONS**

1. Interested Person.

Any trustee, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested party.

2. Financial Interest.

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,
- b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or

c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

ARTICLE III PROCEDURES

1. Duty to Disclose.

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the trustees and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists.

After disclosure of the financial interest and all material facts, and after discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest.

a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

b. The chair of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested trustees whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy.

a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

ARTICLE IV
RECORDS OF PROCEEDINGS

The minutes of the governing board and all committees with board delegated powers shall contain:

a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.

b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceeding.

ARTICLE V COMPENSATION

a. A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.

b. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.

c. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

ARTICLE VI

ANNUAL STATEMENTS

Each trustee, principal officer and member of a committee with governing board delegated powers shall annually sign a statement which affirms such person:

- a. Has received a copy of the conflicts of interest policy,
- b. Has read and understands the policy,
- c. Has agreed to comply with the policy, and
- d. Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

ARTICLE VII PERIODIC REVIEWS

To ensure the Organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The period review shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b. Whether partnership, joint ventures, and arrangements with management organizations conform to the Organization's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

ARTICLE VIII USE OF OUTSIDE EXPERTS

When concluding the periodic reviews as provided for the Article VII, the Organization may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.
