I. Narrative---Two to three pages.

Please address the following:

- A. A brief description of how the grant funds were used to achieve the goals and purposes of the grant, highlighting any aspects that are different than originally envisioned in the grant application.

The majority of the funds were used to plan and pilot a youth program focused on cultivating teens through adult mentorship, athletics and recreation. Because of my role within the community as an entrepreneur, coach, barber and mentor – I was able to engage various members of the community to help me support some of the teens within the Salem City.

During the summer and fall of 2017, I hosted several youth focused activities at my barbershop and restaurant as well as sponsored a small group of teen boys for a college visit in North Carolina. In September of 2017, I provided outreach and

20170818

support to Salem City boys by sponsoring approximately 300 free haircuts in preparation for "back to school".

With the help of my restaurant team, I was able to offer a safe haven, with free food and motivational activities throughout the fall and winter during some weeknights and on weekends. I hosted five (5) game nights that featured Jonathan Taylor (a Salem High School graduate) as a star athlete for Wisconsin University. Our kids were able to see one of our own community members excel not only on the football field, but as a scholar. I used those game nights to encourage and inspire kids of all ages to dream big and work hard.

- B. Identify the individuals retained using the grant funds and the credentials of the individuals.

Wendy Dublin, MA - Elementary School Counseling and BA – Social Sciences
Kemp Carr, MEd – Athletic Director, Teacher and Coach at Winslow Township
Anwar Golden, MEd – School Administrator (Assistant Principal)
Troy Dublin, BA – Secondary Education, Entrepreneur

- C. What have you learned? How have you or will you use this information? Were there any unexpected results, positive or negative?

I have learned that the children in Salem City need a tremendous amount of support during after school hours, on the weekend and throughout the summer. Although this is a new area for me, I am committed to helping our youth. I believe that education is a powerful tool to assist kids – who are our future.

- D. The current status of the Grantee's partnership with the Give Something Back Foundation and your expectations of that collaboration for the future.
